REPORT

Hit and run crash

INFORMATION

On 11/15/2024 at approximately 1300 hours, I was dispatched to Fuller Rd, just east of Fuller Ct for a car vs pedestrian in the crosswalk. The driver of the vehicle reportedly fled the scene.

INITIAL SCENE

Upon my arrival at approximately 1310 hours, I noticed the victim, later identified as [REDACTED], sitting on a bench at the bus stop next to the crosswalk I was dispatched to. There was a small group of people standing around him, all witnesses to the incident.

VICTIM INJURIES

[REDACTED] was leaning back against the wall of the bus stop with his head tilted back. I noticed a bump on his head approximately 2 inches wide and actively bleeding. [REDACTED] seemed dazed and disoriented.

VICTIM CONTACT

I asked [REDACTED] what had happened, but he stated he had no memory of what occurred. [REDACTED] was slow to respond to me but was able to retrieve his ID from his wallet and provide me with his phone number. [REDACTED] was transported by HVA to U of M Hospital for treatment.

WITNESS STATEMENTS

I spoke two witnesses who saw the incident happen and were able to assist in the identification of the suspect.

[REDACTED]
[REDACTED] provided me with the license plate number of the vehicle used by the driver, later identified as [REDACTED] during the incident.

[REDACTED]
Witnessed the incident and stated it did not appear the Lincoln MKZ that struck the pedestrian slowed down and appeared the vehicle was traveling an estimated 45 miles per hour when it struck the pedestrian.

SUSPECT DESCRIPTION

██████████ stated the suspect driving the vehicle was a shorter, heavy set, African American female. This description matches that of ██████████

SUSPECT ID

I ran the license plate provided by ██████████ in LEIN and found the registered owner for this vehicle is ██████████ matches the description of the suspect provided by the witnesses. Through a Clemis search of ██████████, I found her current phone number. Later when I established contact with ██████████, she stated her name is spelled "██████████", and not "██████████" and it was spelled incorrectly with the Secretary of State.

SUSPECT VEHICLE

2016 LINCOLN MKZ - PLATE: ██████████

SUSPECT (██████████) CONTACT

██████████ returned my phone calls on 11/29/24. ██████████ stated she was driving her vehicle during the incident. She stated the pedestrian ran out into the road unexpectedly and the pedestrian ran into her vehicle. ██████████ also stated the pedestrian crossing lights at the intersection were flashing, but she did not know she had to stop at the crosswalk. ██████████ stated she pulled over to check on the pedestrian who stated he did not need medical attention and did not want ██████████ to call 911 after she offered. ██████████ told me she offered her contact and insurance info to the pedestrian, but he refused to take her information.

This phone conversation between ██████████ and myself was recorded on my body worn camera.

INSURANCE INFORMATION

██████████ stated she had valid insurance on the vehicle through CURE Insurance. I called CURE Insurance and verified ██████████ does not have coverage on the 2016 Lincoln MKZ used in the crash.

VICTIM FOLLOW-UP

Because ██████████ had no memory of the incident, he reached out to the police department for information on what occurred and how to proceed. I contacted ██████████ to give him updates and information on the incident.

ATTACHMENTS

I have attached a photo of the victim's injuries and a photo of the license plate [REDACTED] took.
