Narrative

Driver of unit 1 stated that they were stopped at the stop sign at the intersection of Glaizer Way and Huron Parkway, Driver of unit one then stated that they were looking to their left (north) while attempting to make a right-hand turn. Driver of unit one stated that he then accelerated to make the right-hand turn onto Huron Parkway and heard that he hit something with his vehicle but did not see what. Driver stated he stopped and that is when he saw unit two in the crosswalk after the collision. Unit two stated that they slowed down prior to crossing at the intersection. Unit two then stated that they proceeded through the intersection and unit one accelerated and struck them. Unit two sustained a fracture on his left leg as a result of the collision. I cited unit one for failure to yield to pedestrians.
